To Whom It May Concern:

Zachary Lankford is relocating residence to your area and seeking employment. He has experience working in the City of Madisonville with the Hopkins County Humane Society as an Animal Control Officer. Zachary's history of employment also includes a background of working at the Madisonville City Park through our city's employment servicing agency, and employment with the Madisonville YMCA.

Zachary's background includes military service and a thorough knowledge of electronic records keeping. In addition, he is certified in animal control through the National Animal Control Association (NACA).

Zachary's background of working with the public and knowledge of electronic communications will serve him well in any position he chooses. It is my pleasure to recommend Zachary for work with your agency.

If you have any questions or I may be of further assistance, please feel free to contact me at the City of Madisonville, 270-824-2100, or via email at mayor@madisonvillegov.com.

Sincerely,

City of Madisonville
