To whom it may concern:

I would like to take this moment to recommend Mr. Lankford for an employment opportunity. Mr. Lankford has worked at the Madisonville City Park for several years through a temporary hiring agency (Staff Partners) located in Madisonville, KY. During his tenure at the City Park he worked in the Golf Pro Shop, patrolled the park property, handled money and bank deposits for the golf course, Clubhouse, and swimming pool, and also helped with countless other projects and ideas.

As an employee, Mr. Lankford was always reliable and dependable considering his job required him to work some nights, weekends, and holidays. He has proven that he is very responsible can handle controversy or public concern in a professional manner.

Again, I want to use this opportunity to recommend Mr. Lankford for employment. Please feel free to contact me regarding any questions or concerns. Thanks.

Sincerely,
