To Whom It May Concern:

The purpose of this letter is to recommend Zack Lankford for employment with your establishment.

Mr. Lankford possesses an exemplified manner of professionalism. I believe he has the skills necessary to produce excellent results in which your business seeks. During his time as an Animal Control Officer with the Hopkins County Humane Society, he was tremendously helpful to the City of Nortonville by keeping us informed when any issue occurred in our town regarding the health and safety of others.

His character is reflected through his words as well as his actions. Zack is a unique individual who possesses a positive attitude and would make a valuable asset.

I would highly recommend him to any company seeking these qualities in an individual.

Sincerely,

  
Barry Merrill  
Mayor
