To Whom It May Concern:

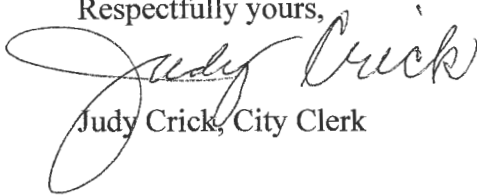

I am writing this letter in regards to the above referenced person. I have known Mr. Lankford since 2006 and find him to be a reputable person.

I am the City Clerk for The City of White Plains, Ky. And in 2006 Mr. Lankford was put on our water system. I have dealt with him since, usually seeing him at least once a month when he paid his bill. He has always been very mannerly and conducted himself very well in his association with us.

This year he went to work for Hopkins County Humane Society in Madisonville, Ky. Since that is our county the city had several dealings with him through the Society. He was very professional but also friendly and helpful. Mr. Lankford helped in several instances and we were very grateful.

We would definitely recommend him as a person and as a worker. If you would like to talk with me you can reach me at 270-676-8639 between the hours of 8:00 AM to 4:00 PM.

Respectfully yours,

Judy Crick, City Clerk
